The Pet

This episode happened to be the longest story line of the first year, chronicling Kim's efforts to get a dog, and an adventure that includes squirrels, a helpless gerbil, and Lincoln Logs. It highlighted the life and times of Fluffy the fish, Kim's first pet. And in this episode, we find out that, according to Boomp, elephants come in different colors. I found out that I like to draw squirrels and the monster under the bed.

Notable Quotable:

“Kangaroos are like the station wagon of pets.” -- Jason

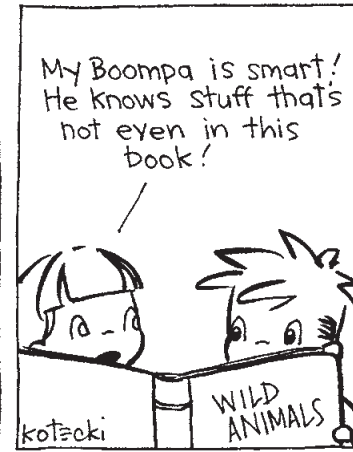

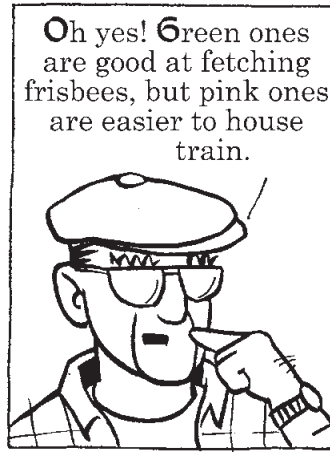

Appearances By: Kim, Jason, Boomp, Katie, Dougie, Tropical Tracy, Stinky, GI Jim, Cabana Dan, Fluffy, The Monster Under The Bed, and some stunt squirrels.

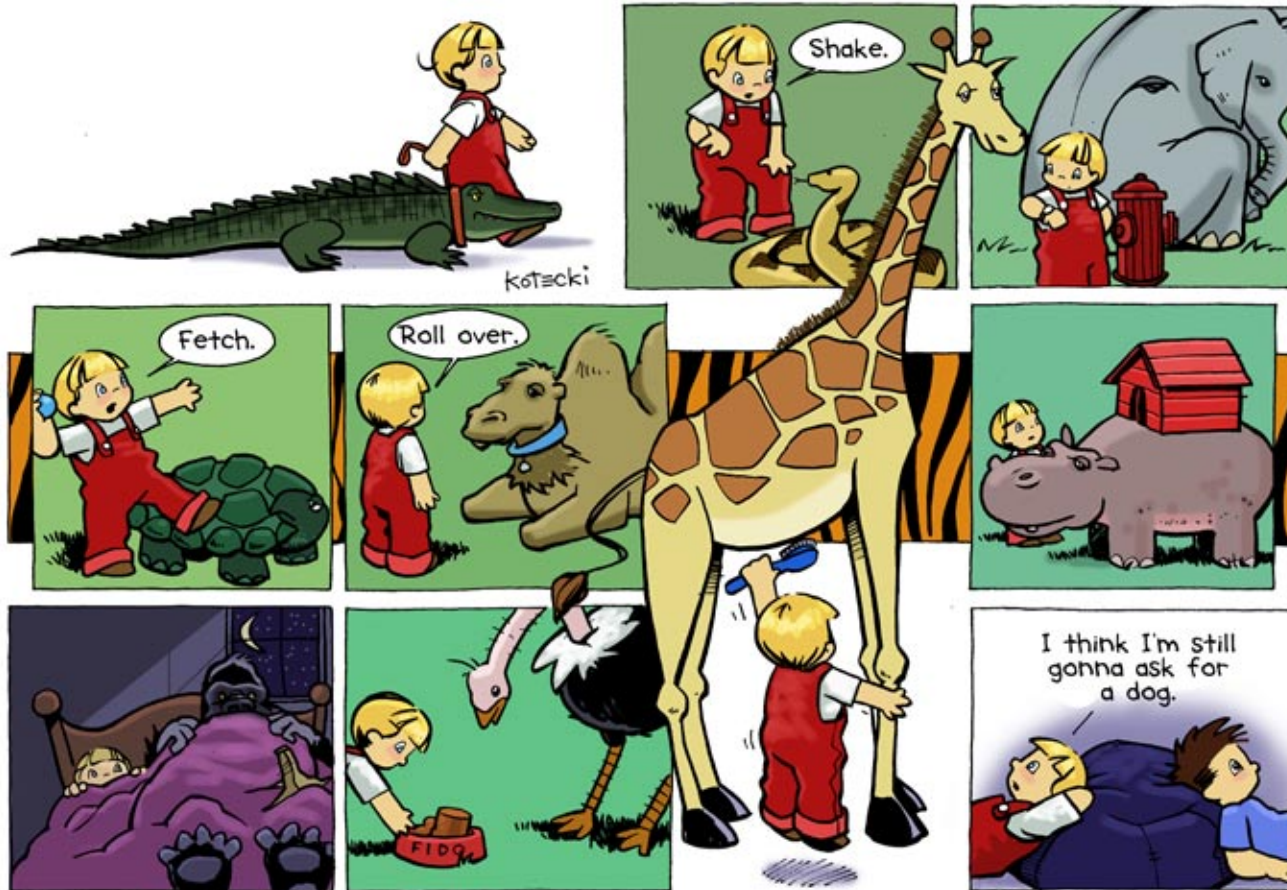

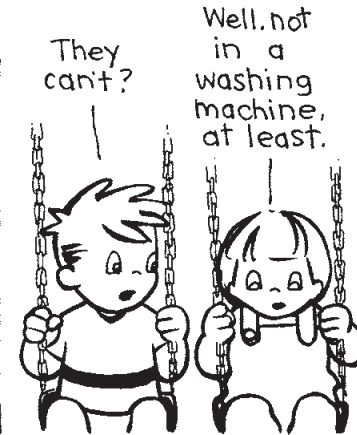

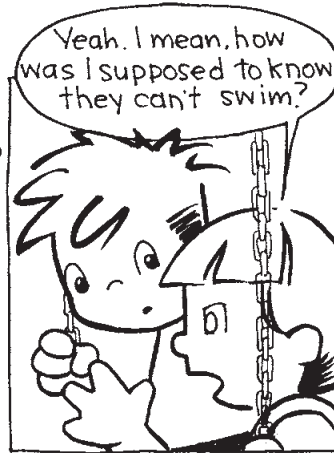

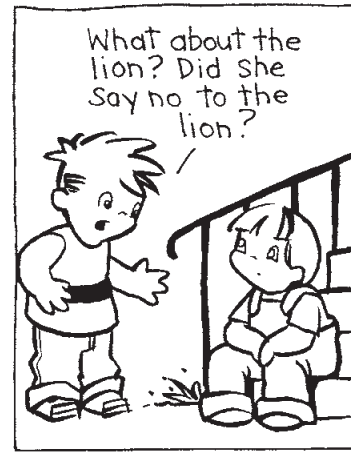

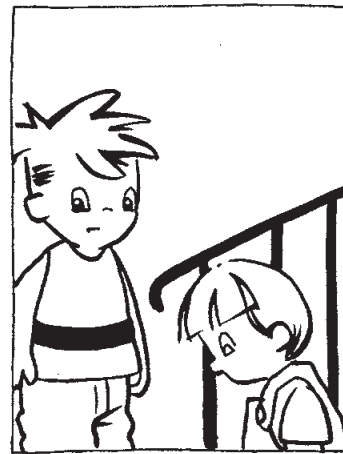

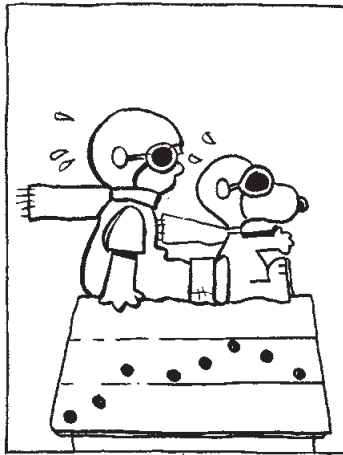

Well, that depends. What color elephant?

So your **parents** won't get you a pet, but did they say anything about **you** getting your own pet?

What do you mean?

WE could catch a bug, a bird, or even a Squirrel to be your pet!

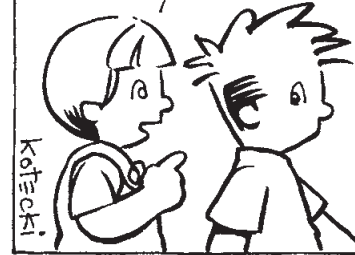

I've **always** wanted a Squirrel!

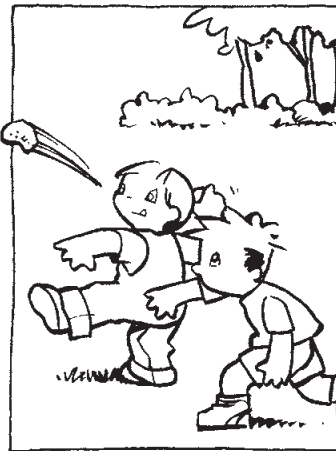

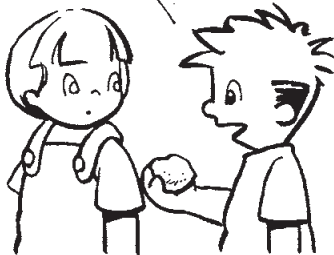

A Squirrel it is, then.

I'd like to catch one like the Squirrel in that cartoon who hangs out with that moose guy.

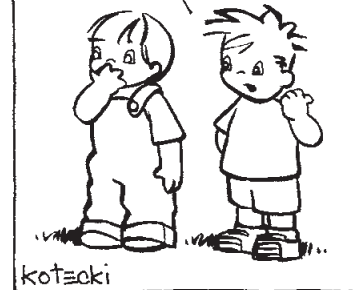

Maybe we can knock a squirrel down from the tree to be your new pet.

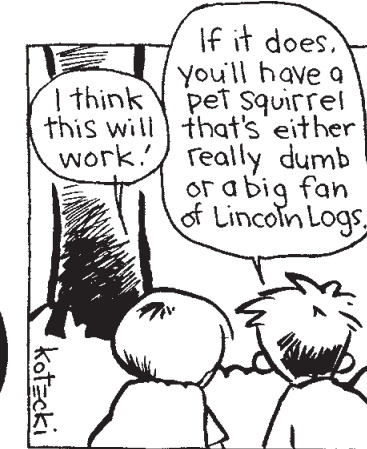

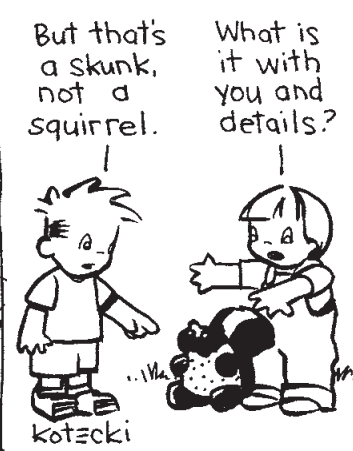

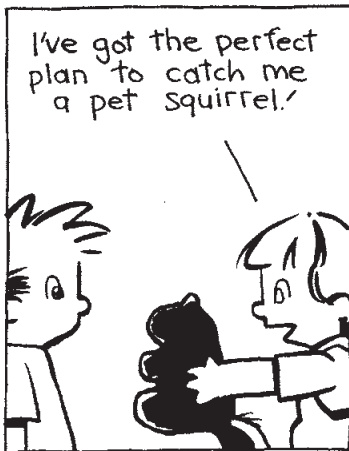

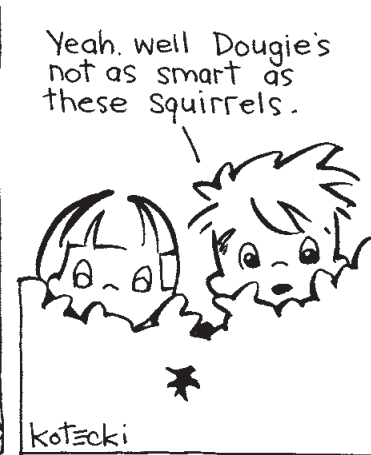

CRASH

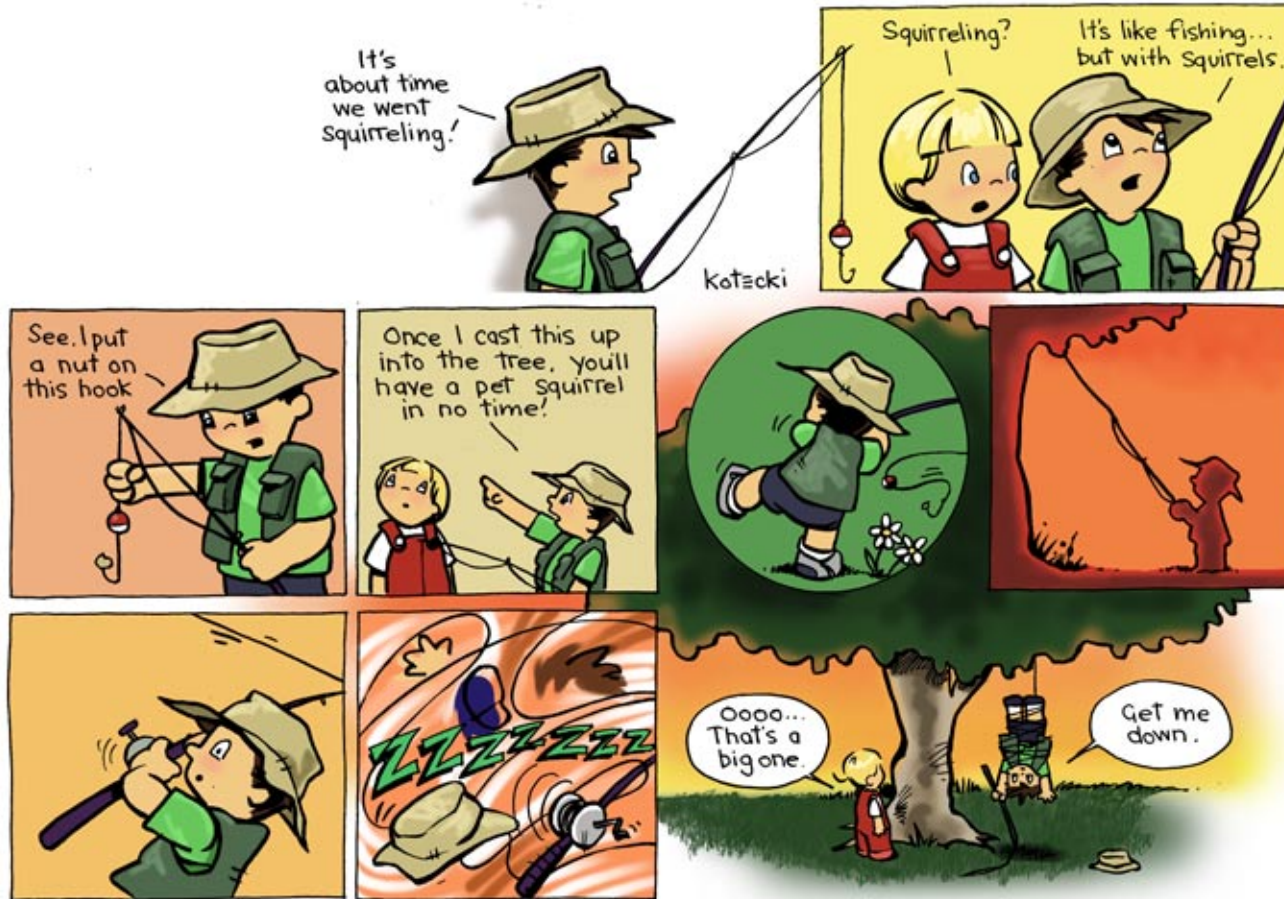

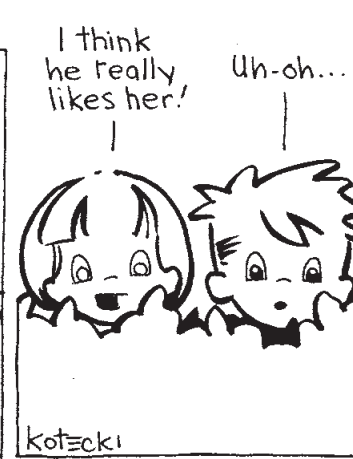

Let's pick a tree that's not so close to the neighbor's house.

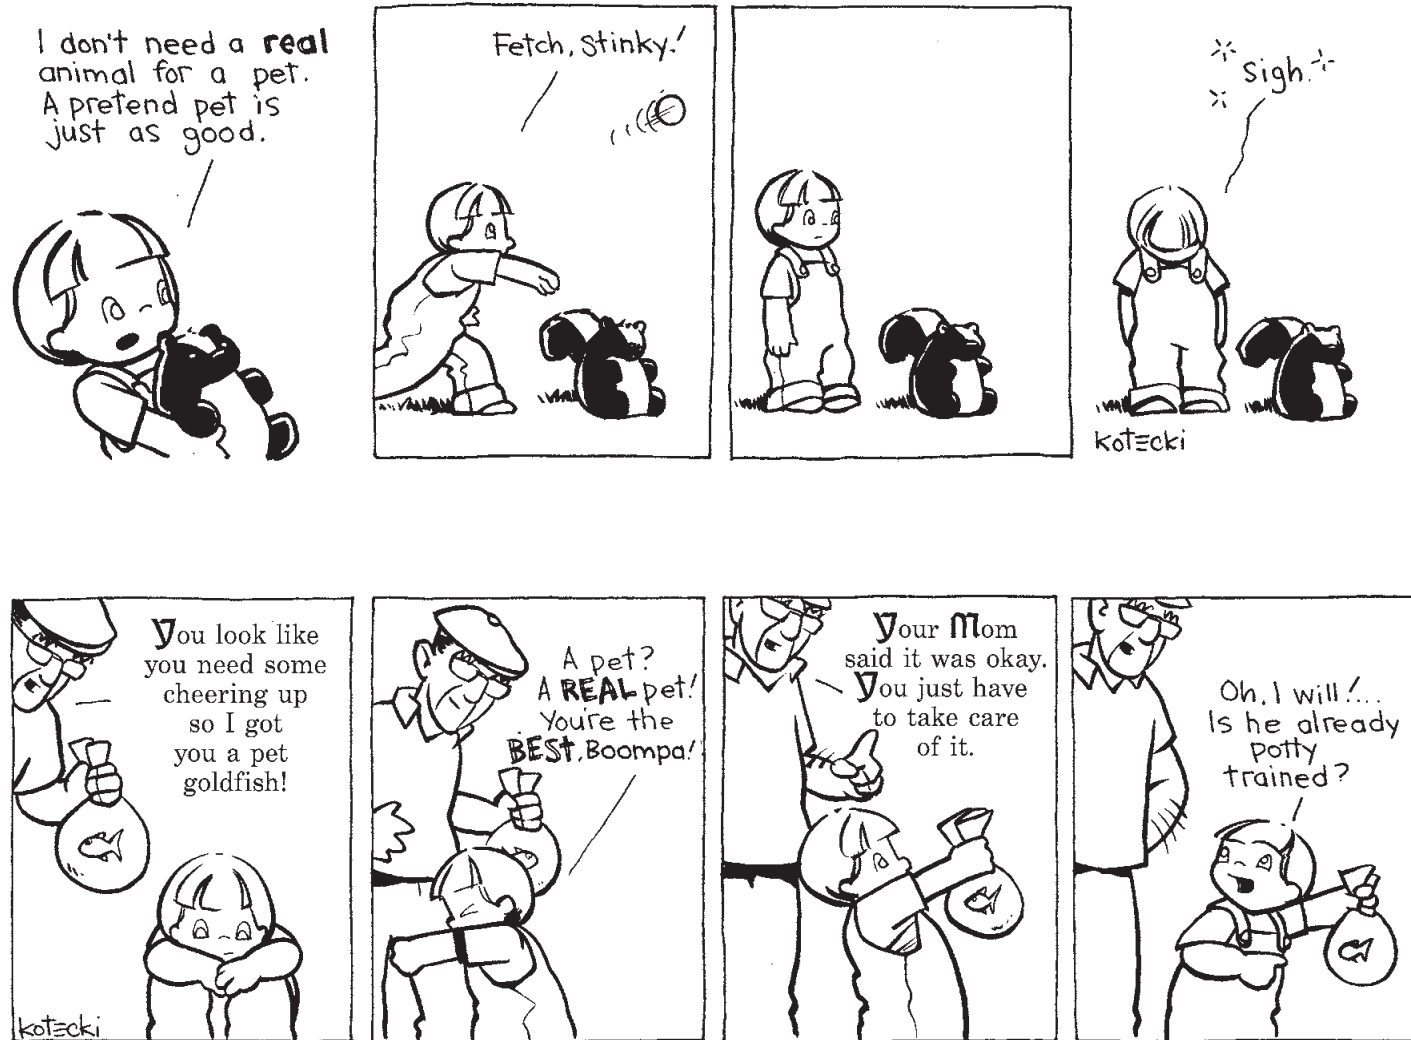

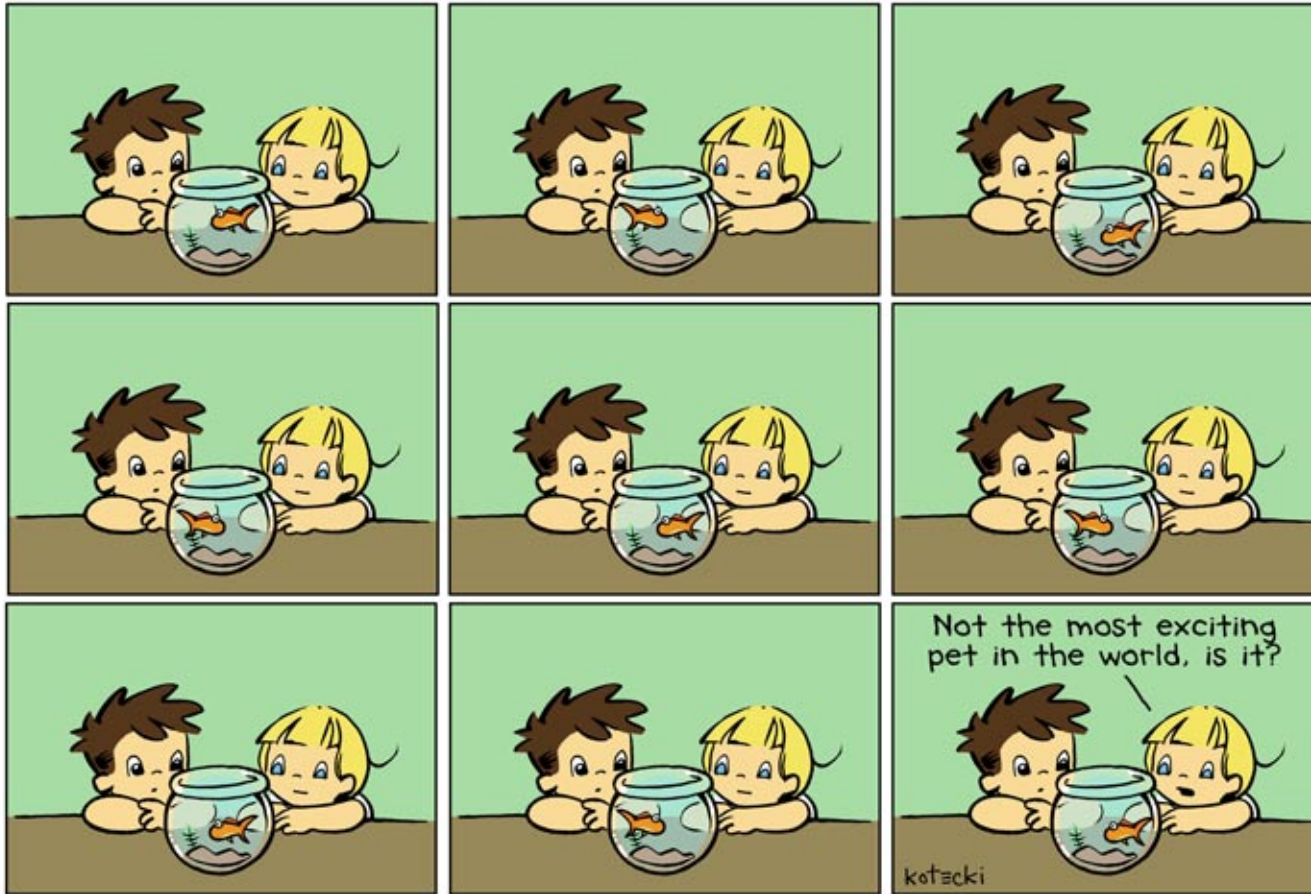

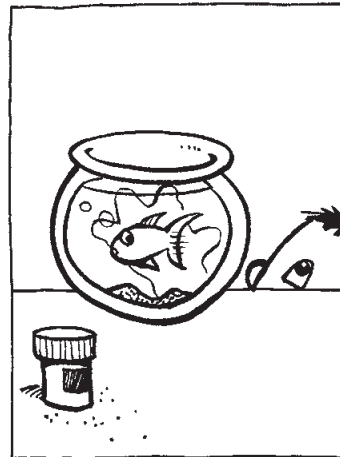

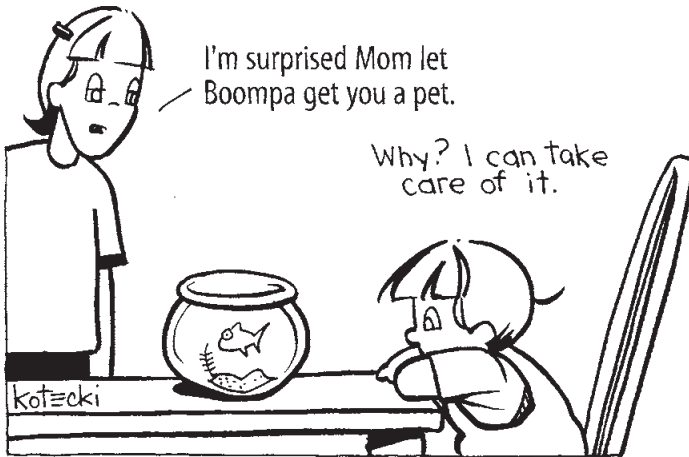

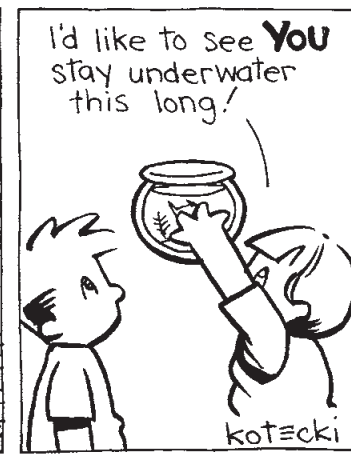

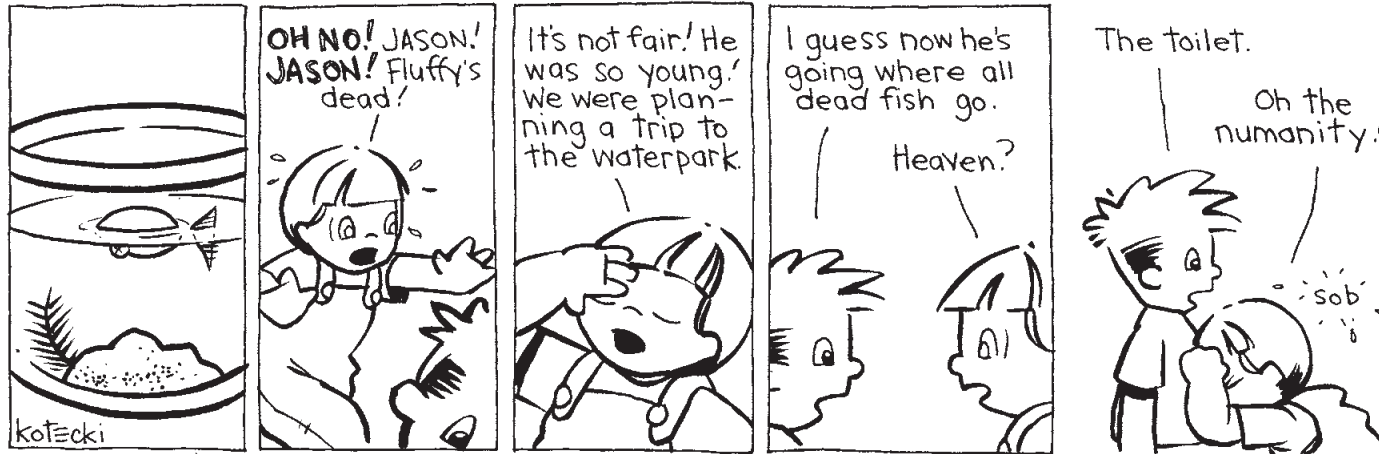

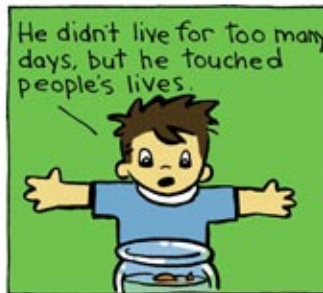

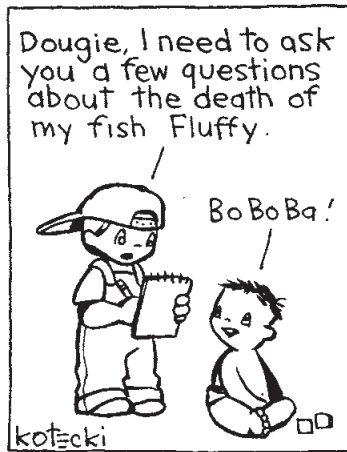

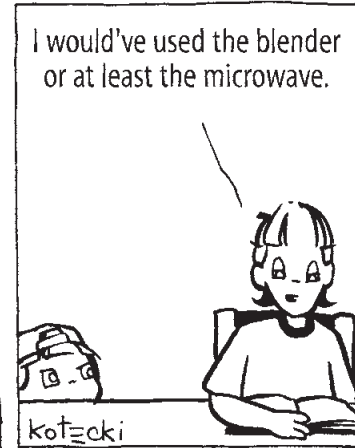

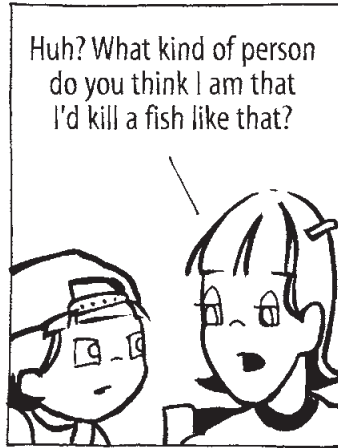

It's not like it wasn't on **delicate!**

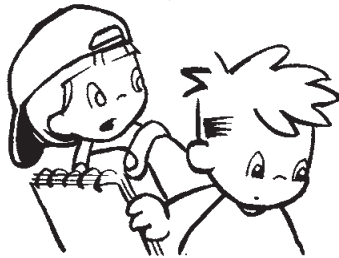

So where were **You** the night Fluffy the fish died?

What?! You think **I** killed your fish?

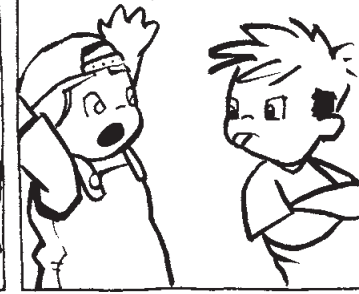

Well, somebody did!

Maybe it was **You**. Or maybe it was the monster under the bed!

Well **I'M** not gonna ask him!

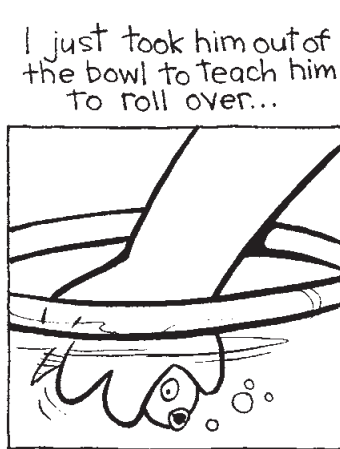

a Kim & Jason Murder Mystery

Who Killed Fluffy? 4

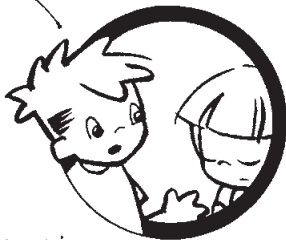

Which of these suspects is responsible for the death of Kim's pet fish?

Jason Kim Dougie Katie The Monster Under The Bed

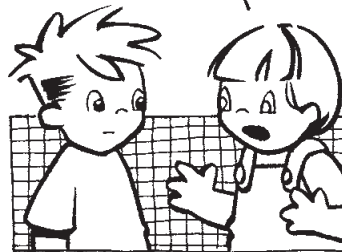

So why did you blame everybody else when it was **YOU** who killed Fluffy?

kotecki

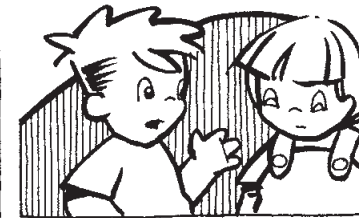

I didn't know he'd die from flipping over!

If Mom and Dad found out **I** killed Fluffy, they'd never get me another pet!

Well they should've at least got you one that can live outside water. Sheesh. What a dumb fish.

Well at least I learned a lesson from my pet Fluffy dying.

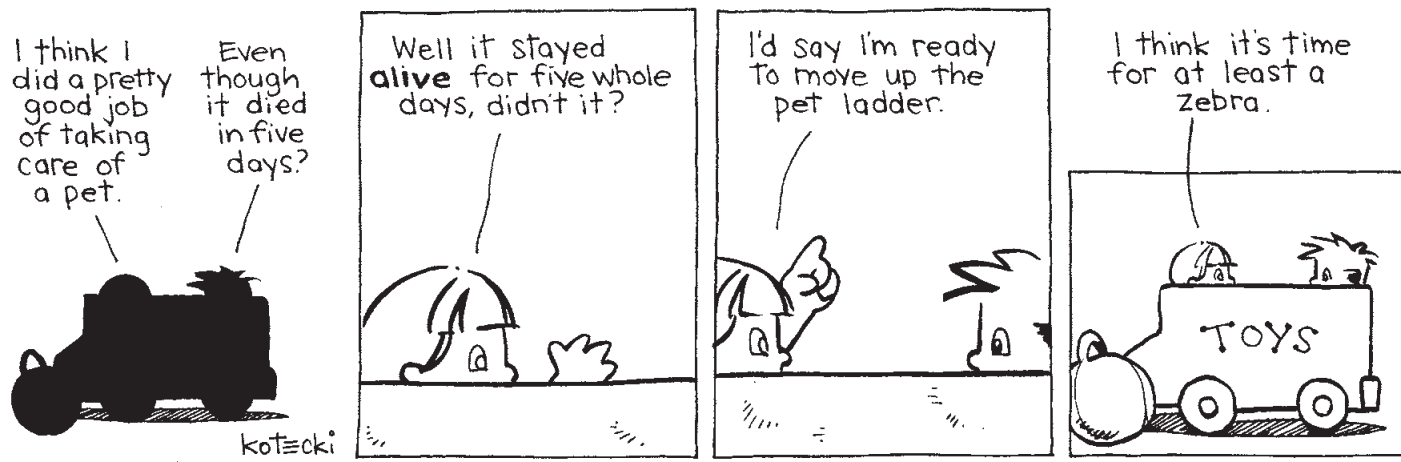

kotecki

You mean like life is short and you have to make the most of the time you've got?

No. That fish sure do die easy.
